Summary

Second-year UC San Diego data science student passionate about data analytics, with hands-on experience supporting UCSD Baseball. Skilled in predictive modeling, exploratory data analysis, and working with pitch-tracking datasets. Leverages a strong understanding of technical data science concepts to translate complex analytical findings into clear, actionable insights.

Education

University of California, San Diego

Expected June 2028

Bachelors of Science in Data Science, specialization in statistics

- GPA: 3.61, Earl Warren College Provost Honors
- **Relevant Coursework:** Data Structures and Algorithms, Theoretical Foundations of Data Science

Skills

Languages: Python (Pandas, Matplotlib, Scikit-Learn), SQL, Java

Technologies: Excel, Trackman, Yakkertech, Technical Presentations, Player Reports

Relevant Experience

Analytics Intern

September 2024–present

UCSD Baseball, La Jolla, CA

- Devise action plans based on coaching priorities to optimize player development
- Build models and conduct research to provide valuable in-season feedback and advance scouting insights
- Collaborate with fellow interns to create comprehensive reports and dashboards to provide technical insights to players and coaches

SMT Data Challenge 2025

May 2025–August 2025

Sports Media Technology, Durham, NC

Project Repository [🔗](#)

- Team named one of four finalists out of 50+ teams worldwide
- Manipulated and cleaned raw player-tracking data from an anonymized minor league season to prep for use in larger modeling project
- Used logistic regression to determine safe/out probabilities and random forest classification to find optimal cutoff decisions for infielders within the dataset

Leadership

External Affairs Officer

September 2025–present

Triton Ball Sports Analytics Club, La Jolla, CA

- Network with UC San Diego coaches and Athletics Department staff to uphold club relationships
- Facilitate official partnership with Athletics Department to provide further data consultation opportunities for members

Eagle Scout–Senior Patrol Leader

August 2023–February 2024

Scouts BSA Troop 676, San Diego, CA

- Coordinate with adult troop leadership to plan meetings and outings over 6-month term
- Govern a patrol leader's council that facilitates activities and advancement opportunities for 50+ scouts
